ABOUT COMPANY

Real Enjoy OPC Pvt. Ltd. is a Mumbai based direct selling company with the aim and objective to establish a holistic successful business model to provide the financial freedom to our independent distributors.

Our professional background and expertise of over 15+ years provides us the cutting edge skills and experience in direct selling industry. Our team is fully trained to cater to the needs of our independent distributors provide them with the adequate support along with the guidance they need to kick start their business and further experience "real enjoy". We strongly endorse the golden opportunity which our direct selling industry provides to our independent distributors aiming at establishing a platform with life changing endeavor. In order to run as a professional direct selling company we have separate departments for training, marketing and customer care to provide the right experience for our independent distributors. We have the laid the foundation to educate our independent distributors about the benefits which Real Enjoy business opportunity provides along with the attractive incentives on the sale of vast product portfolio under the real enjoy brand name. Our complete range of products including health & wellness, personal care and home care which are further equipped for one family. Our high quality product portfolio at affordable prices ensures that we are family recognized brand in India.

Ms. Bhashika Pandit
(CMD)

CEO STATEMENT

Dear Team Real Enjoy,

I am thrilled to welcome you all to our multi-level marketing company Real Enjoy OPC Pvt. Ltd.,

Mumbai. As the CEO, it gives me immense pleasure to lead such a dynamic and enthusiastic team of individuals who are passionate about achieving their dreams and creating a better future for themselves and their families.

We have built this company on a foundation of strong values, a customer-centric approach, and an unwavering commitment to excellence. Our aim is to empower people like you to become successful entrepreneurs, by providing you with the tools, training, and support you need to achieve your goals. Together, we will work towards creating a culture of success, teamwork, and innovation. Our unique business model offers you the opportunity to earn a significant income by building your own network of customers and distributors, while helping others to do the same.

I strongly believe that the success of this company depends on each and every one of us working towards a common goal. Let us all embrace this opportunity with open minds and hearts, and commit ourselves to achieving our full potential.

Dr. Kamal Sharma
(CEO)

I look forward to working with you all and making our dreams a reality. ”

Best regards,

THE NEXT TRILLION DOLLAR INDUSTRY

Professor Paul Zane Pilzer

is a world-renowned economist, multimillionaire entrepreneur, college professor and author of five best-selling books

“The Wellness Industry will exceed the \$ 1 Trillion Health care Industry in the next Ten years.”

“The greatest entrepreneurial opportunities will be in distributing, rather than manufacturing Wellness Products and Services.”

“The Emerging Industries of **WELLNESS** and **NETWORK MARKETING** are Combining to Create Today’s - and Tomorrow’s - **NEW WEALTH**”
